Announcement for the 1st investment opportunity

Establishing a new complete project for the production of pure sulphur

With reference to the investment opportunities that were presented on the margin of the Mineral Investment, Petrochemicals and Fertilizers Conference, which was held by the Ministry of Industry and Minerals for the period 3-4/5/2023.

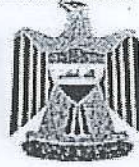

Mishraq Sulphur State Company, one of the Iraqi Ministry of Industry and Minerals formations, is pleased to announce the following investment opportunity :-

Establishing a new complete project for the production of pure sulphur.

Thus, we invite investors, international, Arab and Iraqi companies that are sober manufacturers or producers or their authorized agents specialized in the field of extraction and manufacturing of sulphur, which have sufficient experience in the field of refined sulphur production with a capacity of (one million tons per year, subjected to increase) to participate in this opportunity, as because of the economic feasibility of this project and the advantages achieved for the investor, including the high mining reserve of raw sulphur in the Mishraq fields (2 & 3) and Lazzaga as well as the availability of basic materials involved in production, in addition to the project's distinguished location on the Tigris River, its pioneering reputation in the field of mining sulphur production, and the high experience of the company's staff accumulated for decades in this field.

It is possible to obtain the investment file for the opportunity from the company's headquarters located in Nineveh Governorate (45) km south of Mosul city, or the company's office located in Baghdad / Al-Bataween / Arab Navigation Company Building / near Al-Sadoun Private Hospital, for an amount of (1,000,000) dinars (one million Iraqi dinars). The following points should be taken into consideration:

- 1- Offers will be opened after 30 days from the date of publication of the advertisement. If no offers submitted by the end of 30 days and one or more offers are received after the expiry of the above period, the advertisement will be suspended for the purpose of studying and analyzing the submitted offers to make a recommendation for referral. If no referral recommended, the announcement will resumed for another 30 days and with the same mechanism approved in the above, (but the announcement should not pass one calendar year from the date of the first publication, after which the announced opportunity should be re-examined and evaluated).
- 2- Purchasing receipt of the investment opportunity should be submitted with the offers.
- 3- The awarded company shall bear the publishing and advertising fees.
- 4- Work should be in accordance with the information forms, evaluation criteria and general conditions attached to the announced investment file.

Interested Investors can visit the company's headquarters to find out the nature of the opportunity mentioned. The company is ready to provide all the detailed information and facilities necessary for that. Offers should be submitted according to the conditions mentioned in the investment file in two separate closed packages (a technical offer and a commercial offer) taking into account that the documents attached with the offer must be certified by the official authorities in the countries of the bidding companies and certified by the Iraqi embassy in their capitals.

Note Please: The offers should be *exclusively* submitted in the bids box at the company's headquarters in Mosul, noting the following:

- 1- If the closing day coincides with an official holiday, the closure shall be on the first following day of the official working days.
- 2- Our company invites all participating companies to attend the conference that will be held seven days prior to the opening date mentioned in Paragraph (1) to answer all related inquiries.

For more inquiries and details, please visit the company's site in Nineveh Governorate, or view the company's website through the contact links below:
